MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 4 to Contract No. HF-A-104 with Thompson Ramo Wooldridge Inc., Los Angeles, California, DYEWEEED-16, Project CHALICE

1. This memorandum contains a recommendation submitted for the approval of cognizant personnel listed below. The recommendation is set forth in Paragraph 5.

2. Contract No. HF-A-104 provides for the furnishing of Contractor's Technical Representatives to assist the F.O.G. with installation, maintenance and repair of equipment previously furnished by the Contractor under another contract. The Contract provides for a fixed rate on a man-month basis to be paid Contractor personnel. These rates are subject to periodic negotiation and revision. Amendment No. 4 provides for the furnishing of the same type of services to the Navy for the period approximately 1 January 1959 through 30 June 1959. The Navy has been included in the Schedule of the Contract as Customer "D"

3. As a result of the above funds in the amount of \$22,000.00, chargeable to "No Year" Navy funds obligated during FY 1959, previously transferred to the Agency by the Department of the Navy is being obligated by Amendment No. 4. This brings the total funds obligated under the contract to \$522,000.00 of which \$500,000 are "No Year" Air Force funds and \$22,000.00 are "No Year" Navy funds. By concurrence to this memorandum the Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, for each Contract.

5. Concurrence in Amendment No. 4 to Contract No. HF-A-104 is recommended.
